SKILLS

- C++ / C
- Data Structure
- JavaScript
- Bootstratp
- NodeJS
- Git
- Gatsby
- HTML
- CSS

EXPERIENCE

D e v J a m | Project Lead
May 2021 - June 2021

- An Open-Source event where we have worked on building a website named informative approach in which we tried to create a place for students to find information related to different IITs and NITs

PROJECTS

PERSONAL PORTFOLIO WEBSITE
Jan 2022 - Feb 2022

- Website Link: https://arpitgupta.vercel.app/

- By using HTML, CSS and basic Bootstrap and Sass, I created a portfolio website and added Google Analytics.

INFORMATIVE APPROACH | GROUP PROJECT
May 2021 - June 2021

Project link: https://arpitgupta1014.github.io/Informative-approach/

- Languages used: HTML, CSS, JavaScript and basic Bootstrap
- We created this website.to help students to a source of all the information related to IITs and NITs at one place.

ACHIEVEMENTS

2021	91th/26986	May long challenge
2021	1st/103 students	Dept. Rank, MNNIT
2021	Open Source Contributor	Hacktoberfest
2021	Scholarship Winner	Girl Script Outreach

CERTIFICATIONS
