EXPERIENCE

DevJam | PROJECT LEAD
May 2021 - June 2021 | Online
· An Open Source event where a participant has to work on a project
· A community oriented project to work collaboratively.

PROJECTS

PERSONAL PORTFOLIO WEBSITE | INDEPENDENT PROJECT
Jan 2022 - Feb 2022
GitHub Link: https://github.com/Arpitgupta1014/Portfolio
Website Link: https://arpitgupta.vercel.app/
By using HTML, CSS and basic Bootstrap and sass, I created a portfolio website and added Google Analytics.

INFORMATIVE APPROACH | GROUP PROJECT
May 2021 - June 2021
GitHub Link: https://github.com/Arpitgupta1014/Portfolio
Website Link: https://arpitgupta1014.github.io/Informative-approach/
By using HTML, CSS ,Javascript and basic Bootstrap,we created this website.Many students get misguided due to lack of information regarding good colleges and their selection procedures. Our project aims at not letting the students lose any golden opportunity of grabing good colleges.

ACHIEVEMENTS

2021	91th/26986	May long challenge
2021	Scholarship Winner	GirlScript Outreach
2021	Open source Contributor	Hacktoberfest

CERTIFICATIONS

C programming by Udemy (2021)
Codechef snackdown (2021)

POSITION OF RESPONSIBILITY

2021	Project and team lead in weekend of code
2022	Mentor at Student mentorship program
